If your name is submitted for the newsletter you will be entered into a draw for a £10 Amazon voucher. Each year group will have a separate draw for the voucher.

Pupils who return the paper work, which we will collect at the time of drop off so please remember to leave these on your doorstep, will also be entered into the draw.

Winners will be announced in the newsletter the following week.

You are aiming for a total of 5 points per week for logging onto all your lessons and tutor time each day, 1 point for each day. A maximum of 20 available over the next 4 weeks.

You will be asked by your Year Leaders, via a google form, to suggest a reward event on return to school.

You will need a minimum of 15 points to attend these events (over the next 4 weeks). *This is slightly lower as due to technology and shared devices it is not possible for all students to attend all the time. If a pattern is noted by a teacher then this can be investigated and challenged.*

To help achieve this total you may need additional achievement points. We will encourage your teachers and tutors to set these as appropriate.

If you are ill or your device breaks please let your tutor know at the earliest opportunity.
